

and the Federal Advisory Council (FAC)—whose members represent depository institutions.

The CAC serves as a mechanism to gather feedback and perspectives on a wide range of policy matters and emerging issues of interest to the Board of Governors and aligns with the Federal Reserve's mission and current responsibilities. These responsibilities include, but are not limited to, banking supervision and regulatory compliance (including the enforcement of consumer protection laws), systemic risk oversight and monetary policy decision-making, and, in conjunction with the Office of the Comptroller of the Currency (OCC) and Federal Deposit Insurance Corporation (FDIC), responsibility for implementation of the Community Reinvestment Act (CRA).

This Notice advises individuals of the opportunity to be considered for appointment to the CAC. To assist with the selection of CAC members, the Board will consider the information submitted by the candidate along with other publicly available information that it independently obtains.

#### Council Size and Terms

The CAC consists of at least 15 members. The Board will select members in the fall of 2022 to replace current members whose terms will expire on December 31, 2022. The newly appointed members will serve three-year terms that will begin on January 1, 2023. If a member vacates the CAC before the end of the three-year term, a replacement member will be appointed to fill the unexpired term.

Candidates do not have to be experts on all topics related to consumer financial services or community development, but they should possess some basic knowledge of these areas and related issues. In appointing members to the CAC, the Board will consider a number of factors, including diversity in terms of subject matter expertise, geographic representation, and the representation of women and minority groups.

CAC members must be willing and able to make the necessary time commitment to participate in organizational conference calls and prepare for and attend meetings two times per year (usually for two days). The meetings will be held at the Board's offices in Washington, DC. The Board will provide a nominal honorarium and will reimburse CAC members only for their actual travel expenses subject to Board policy.

#### SUPPLEMENTARY INFORMATION:

#### A. OMB Control Number, Title, and Any Associated Form(s)

9000-0082, Federal Acquisition Regulation Part 7 Requirements.

#### B. Need and Uses

DoD, GSA, and NASA are combining OMB Control Nos. for the Federal Acquisition Regulation (FAR) by FAR part. This consolidation is expected to improve industry's ability to easily and efficiently identify burdens associated

with a given FAR part. The review of the information collections by FAR part allows improved oversight to ensure there is no redundant or unaccounted for burden placed on industry. Lastly, combining information collections in a given FAR part is also expected to reduce the administrative burden associated with processing multiple information collections.

This justification supports the revision of OMB Control No. 9000-0082 and combines it with the previously approved information collection under OMB Control No. 9000-0114, with the new title "Federal Acquisition Regulation Part 7 Requirements". Upon approval of this consolidated information collection, OMB Control No. 9000-0114 will be discontinued. The burden requirements previously approved under the discontinued number will be covered under OMB Control No. 9000-0082.

This clearance covers the information that offerors or contractors must submit to comply with the following FAR requirements:

FAR clause 52.207-3, Right of First Refusal of Employment, requires contractors to provide the contracting officer, within 120 days of beginning contract performance, the names of personnel who were: Adversely affected or separated from Government employment as a result of the contract award; and subsequently hired by the contractor to perform under the contract within 90 days after contract performance began. The information provided under this clause is used by the Government to ensure: Contractor compliance with providing the right of first refusal to such affected personnel; and certain obligations to displaced employees are met by the Government.

FAR provision 52.207-4, Economic Purchase Quantity—Supplies, permits offerors, who believe that acquisition of supplies in quantity different from what is being solicited would be more advantageous to the Government, to recommend with their offer a more economic purchase quantity for the required supplies. The information provided under this provision is used by the Government to acquire supplies at the total and unit costs most advantageous to the Government and to develop a database for future acquisitions of such items of supply.
